2. A decision on where to store the A-12 aircraft has not been made. This decision, obviously, would affect any planning that is made for []. On the other hand, a definite assurance that [] would be kept beyond FY-68 could influence the decision-making on where to store the aircraft.

3. If Agency utilization of [] is definitely not being planned, it is recommended that storage of A-12 aircraft be at the Palmdale Facility. Attached memorandum to A/DDS&T reflects this view.
